ABOUT THE PROGRAM

The Diocese of Massachusetts has ministries at Harvard University, MIT, Boston University, Northeastern, Boston College and Framingham State College. Five chaplains serve students, faculty and staff at these colleges by providing weekly worship services, community outreach opportunities, fun and community building events, retreats and support in the form of listening, being a mentor, advocate, friend, teacher, priest and spiritual director.

We are excited to

INVITE students to discover their true spiritual selves in relation to God and to one another as they **FORM** into effective spiritual leaders in our campus communities. As part of their spiritual and leadership formation, we will equip them to grow spiritually and to guide their peers in the communal spiritual formation process of becoming and being disciples and

We will strive to

SEND these student leaders to **SERVE** as agents of peace, justice and reconciliation in the name of Christ on their campuses and in the wider community and after college, to continue their service within the life of a church or a Christian community.

For more information, about these ministries, visit our website at www.diomasscollege.org.

Event Schedule

4:00-4:45	Tea and focused check-in
4:45-5:45	Teaching
6:00-6:30	Evening Prayer
6:30-7:15	Light Supper
7:15-8:15	Teaching
8:30-8:45	Compline

Each evening, four members of each diocesan chaplaincy community will be invited to expand their leadership in a key area of Christian life. Please speak with your chaplain if you want to be considered.

Brothers of the Society of St John the Evangelist will provide the teaching. The SSJE describe its mission as "Offering silence and sanctuary, Guidance in prayer and spirituality, and a vision for wholeness." This mission is one that the college chaplains in the Diocese of Massachusetts would like to share with its student leaders to help them better serve the university communities where they live today and eventually the parishes to which the student leaders will go when they graduate.
